Persons within the city limits may use or otherwise discharge permissible fireworks provided the following conditions are met:

1. No city, county or state burn ban is currently in effect;
2. Discharge of fireworks occurs on private property or as indicated in the permit;
3. An adult who is responsible party must be present at all times during discharge, removal and extinguishment of debris;
4. Discharge occurs on **July 3rd, 4th, or 5th between the hours of noon and 11:59 PM;**
5. Discharge occurs on a non-combustible surface and safe distance from any property that would pose a risk of injury, property, or unintended fire. Ready access to water hose, bucket of water, or fire extinguisher shall be available during discharge of fireworks;
6. Responsible party must ensure all debris is removed and extinguished in a safe manner;
7. Any person discharging fireworks shall have on their person a copy of their city permit, or display said permit in a visible location so that it may be inspected easily by city officials.
8. Persons may not use or discharge fireworks within any city park, nor on any highway, turnpike, street, or roadway.
9. Responsible party obtains a consumer fireworks display permit and pays the permit fee in the amount of \$25.00 per location for the calendar year in which the permit is issued.

Failure to comply with any of the foregoing provisions and/or any violation thereof shall constitute an offense punishable under Section 1-108 of the Sapulpa City Code. Each day any such provision is violated shall constitute a separate offense.
