PERMIT REQUIREMENTS:

An adult person within the city limits may burn permissible materials only from **sunrise to sunset** provided the following conditions are met:

- A. Any burning must occur **during daylight hours** on a lot of at least 100 feet by 50 feet in dimension and must occur on **non-combustible surface** or in a **non-combustible container** which is no closer than 50 feet to any structure other than a structure owned by the permit holder burning said materials. The amount of permissible materials to burn shall not exceed in size a 5 foot by 5 foot by 5 foot dimension and no burning shall be allowed during a time when wind conditions exceed 10 miles per hour. In addition, commercial pit burning shall be allowed only under the following conditions: (i) any such burning must occur on a lot of at least 1 acre or more in a fire pit located no closer than 300 feet to any structure other than a structure owned by the permit holder burning said materials, (ii) blowers must be used to accelerate the rate of combustion; and (iii) compliance with the following provisions.
- B. The person shall obtain a permit from the city at a cost set forth in the Master Fee Schedule, said permit identifying the adult in charge of this use by name and address, and also identifying the proposed location on the permit holder's property. No application shall be approved unless applicant produces documentation of ownership of the site location. All applications for said permits shall be made available during normal business hours from the City Clerk's office and are valid only for 72 hours following approval from the Fire Marshal's office.
- C. The adult permit holder in charge of the use must be physically present during the controlled burn and have the permit available for examination by any law enforcement officer or fire department personnel. Adequate fire extinguishing equipment shall be on-site and available for immediate use by the person at all times during the controlled burn.
- D. Notwithstanding the issuance and approval of any permit, the Fire Marshal retains the authority to prohibit, delay or cancel any open burning if atmospheric conditions or local circumstance make such burning hazardous, offensive or objectionable.
- E. No offsite materials shall be burned on any site for commercial purposes unless the site has been approved as a commercial pit burn.
- F. No more than 4 residential burn permits may be issued for any one site during a calendar year period and at least thirty (30) days must exist between expiration and issuance of any permits.
- G. Permit holder and property owner are responsible for contacting the Sapulpa Fire Department at (918) 224-3359 prior to the ignition of a controlled burn fire.
