Tetra Tech Bid Recommendation

March 23, 2020

Mr. Steve Hardt
Public Works Director
City of Sapulpa

Sapulpa, OK 74067

**RE: OWRB LOAN NO. ORF-18-0020-CW
REGIONAL WASTEWATER TREATMENT PLANT IMPROVEMENTS
RECOMMENDATION OF AWARD**

Dear Mr. Hardt:

Submitted for your information and review is the Bid Tabulation for the above-referenced project. The bids were opened on March 10, 2020. There were five bidders with bids ranging from \$2,759,217.00 to \$3,850,176.00 for the total Base Bid. The Engineer's estimate for the Base Bid is \$2,920,547.00.

Crossland Heavy Contractors, Inc., submitted the lowest bid, which after discussion with the both the City and the contractor has been deemed regular in every respect. The total of all Owner Select Base Bid Items is \$709,875.00 and the total of all Additive Alternate Bid Items is \$391,372.00 for a total of \$3,860,464.00. The low bid is below the Engineer's Estimate of \$4,833,554.00 for the total of these items respectively.

Tetra Tech recommends the contract be awarded to the lowest bidder Crossland Heavy Contractors, Inc., for \$3,759,464.00. This is the total of the bid prices for all Base Bid Items plus the Owner Select Base Bid items, which is \$3,469,092.00, plus the amount bid for Additive Alternate Bid Items #1A thru #4A and Items #7A thru #8A, which is \$290,372.00.

Alternate Bid Items #5A – Coating of UV Basin Wet Well, Item #6A – 304SS Rollers for 2.0 Meter Belt Press, and Item #9A – Additional Spare Submersible Sludge Pump are also part of the Owner Select additive alternatives. Tetra Tech reviewed these items with City staff and the conclusion was that these items are not critical to the overall project. Therefore, Tetra Tech does not recommend selection of these items in the award. The award amount recommend in the earlier paragraph does not include these items. In addition, Tetra Tech recommends against awarding any of the Deductive Alternates as the recommended bid award mentioned above is within available funding.

Sincerely,
Tetra Tech, Inc.
