Chief Haefner,

First, let me apologize for the delay in getting back with you. I was checking into this with Chris Atten, the Motorola CSM, and trying to figure out a way to cut the cost of the Service Agreement.

I thoroughly reviewed the Service Agreement that you sent Matt. I thought I would at least be able to take the subscribers off the contract and save you some money. However, after looking this SA, based on the inventory you sent, I can't beat or even match Motorola's pricing.

Again, I apologize for not getting you an answer sooner. Motorola did give you a pretty good discount. Unfortunately, the main reason for the increase are the new services Motorola added because of joining the OKWIN Core such as the SUAII, software upgrade agreement, and SUS. I can't provide any of these services nor can I support on-site service without Motorola's support. It's just the nature of the new high tech equipment.

I will say that Motorola should have come to you when you were establishing your budget to go over the increase and the additional services so you could prepare for them. I really wish I could have helped mitigate some of this but I don't see how at this point.

Let me know if you have any questions about this or the services on the agreement.

## Service Terms and Conditions

Motorola Solutions Inc. ("Motorola") and the customer named in this Agreement ("Customer") hereby agree as follows:

### Section 1. APPLICABILITY

These Maintenance Service Terms and Conditions apply to service contracts whereby Motorola will provide to Customer either (1) maintenance, support, or other services under a Motorola Service Agreement, or (2) installation services under a Motorola Installation Agreement.

### Section 2. DEFINITIONS AND INTERPRETATION

2.1 "Agreement" means these Maintenance Service Terms and Conditions; the cover page for the Service Agreement or the Installation Agreement, as applicable; and any other attachments, all of which are incorporated herein by this reference. In interpreting this Agreement and resolving any ambiguities, these Maintenance Service Terms and Conditions take precedence over any cover page, and the cover page takes precedence over any attachments, unless the cover page or attachment states otherwise.

2.2 "Equipment" means the equipment that is specified in the attachments or is subsequently added to this Agreement.

2.3 "Services" means those installation, maintenance, support, training, and other services described in this Agreement.

### Section 3. ACCEPTANCE

Customer accepts these Maintenance Service Terms and Conditions and agrees to pay the prices set forth in the Agreement. This Agreement becomes binding only when accepted in writing by Motorola. The term of this Agreement begins on the "Start Date" indicated in this Agreement.

### Section 4. SCOPE OF SERVICES

4.1 Motorola will provide the Services described in this Agreement or in a more detailed statement of work or other document attached to this Agreement. At Customer's request, Motorola may also provide additional services at Motorola's then-applicable rates for the services.

4.2 If Motorola is providing Services for Equipment, Motorola parts or parts of equal quality will be used; the Equipment will be serviced at levels set forth in the manufacturer's product manuals; and routine service procedures that are prescribed by Motorola will be followed.

4.3 If Customer purchases from Motorola additional equipment that becomes part of the same system as the initial Equipment, the additional equipment may be added to this Agreement and will be billed at the applicable rates after the warranty for that additional equipment expires.

4.4 All Equipment must be in good working order on the Start Date or when additional equipment is added to the Agreement. Upon reasonable request by Motorola, Customer will provide a complete serial and model number list of the Equipment. Customer must promptly notify Motorola in writing when any Equipment is lost, damaged, stolen or taken out of service. Customer's obligation to pay Service fees for this Equipment will terminate at the end of the month in which Motorola receives the written notice.

4.5 Customer must specifically identify any Equipment that is labeled intrinsically safe for use in hazardous environments.

*Sapulpa, Oklahoma 74067*

The City of Sapulpa has been operating City Hall and the Development building behind City Hall on a trial 4 ½ day work week since September 3, 2018. The schedule of Monday through Thursday 7:30 a.m. to 5:30 p.m. and Friday 7:30 a.m. to 11:30 a.m. has proven to be beneficial to numerous customers (especially contractors and developers) and a morale booster for employees. When polled to ascertain employee preference to keep the hours or go back to the 8-5 schedule, it was met universally with a yes to keep the new hour schedule. The new hours will continue to be posted on the front doors. The city also offers other payment options in the form of a drop-box, phone in payments, and payments online.
